Profile

Bachelor of Science in Information Technology student (BSIT 3-1) with solid skills in programming and network administration. I enjoy creating systems, working with databases, solving technical problems, and learning new technologies. My experience comes from academic projects and programming practice.

Education

Bachelor of Science in Information Technology Currently BSIT 3-1

Technical Skills

Programming	C, Python, C#, HTML, CSS
Databases	SQL, PostgreSQL, Database Management
Networking	Network Administration, Network Troubleshooting
Tools	Git, GitHub

Projects
